Resolution 267 (1969)
of 3 July 1969

The Security Council,

Recalling its resolution 252 (1968) of 21 May 1968 and the earlier General Assembly resolutions 2253 (ES-V) and 2254 (ES-V) of 4 and 14 July 1967, respectively, concerning measures and actions by Israel affecting the status of the City of Jerusalem,

Having heard the statements of the parties concerned on the question,

Noting that since the adoption of the above-mentioned resolutions Israel has taken further measures tending to change the status of the City of Jerusalem,

Reaffirming the established principle that acquisition of territory by military conquest is inadmissible,

1. *Reaffirms* its resolution 252 (1968);

2. *Deplores* the failure of Israel to show any regard for the resolutions of the General Assembly and the Security Council mentioned above;

3. *Censures* in the strongest terms all measures taken to change the status of the City of Jerusalem;

4. *Confirms* that all legislative and administrative measures and actions taken by Israel which purport to alter the status of Jerusalem, including expropriation of land and properties thereon, are invalid and cannot change that status;

5. *Urgently calls* once more upon Israel to rescind forthwith all measures taken by it which may tend to change the status of the City of Jerusalem, and in future to refrain from all actions likely to have such an effect;

6. *Requests* Israel to inform the Security Council without any further delay of its intentions with regard to the implementation of the provisions of the present resolution;

7. *Determines* that, in the event of a negative response or no response from Israel, the Security Council shall reconvene without delay to consider what further action should be taken in this matter;

8. *Requests* the Secretary-General to report to the Security Council on the implementation of the present resolution.

Adopted unanimously at the 1485th meeting.
